Advance-Nilfisk Parts - Think about how tiresome it would be to clean up your own home after throwing a large party, without aid from cleaning equipment. In the past, the time carpets and upholstery had the dirt beat out of them manually; brushes, brooms and cleaning cloths were the leading cleaning materials during that time.

P.A. Fisker, the man who established Nilfisk-Advance, was actually an electrical engineer who really loved working with electrical motors. Establishing the company in the year 1906, he began to produce motors to be able to drive machine tools, coffee grinders, drills and fans. Mr. Fisker's vision from the start was to have a global business selling merchandise internationally.

The Nilfisk C1 was a revolutionary breakthrough in the cleaning trade. Mr. Fisker invented an amazing, ground breaking vacuum cleaner which could be operated by one individual in view of the fact that it only weighed 17.5 kilos! This creation came in a time where numerous cleaning equipment were huge and required at least 4 operators, therefore, the Nilfisk C1 changed everything and evolved the way we clean forever. The genius behind these very first cleaning machines remains unparalleled. Cleaning machines offer a brilliant solution to an ongoing problem; stuff get filthy and must be cleaned regularly, without too much effort.

Slowly but progressively, Nilfisk-Advance expanded throughout the years. During the 1980s, this expansion really occurred when the business became a part of the NKT Group. Their new owners' drive and focus made Nilfisk-Advance take a huge leap ahead within the industry, trying to be one of the leading universal players in the market of professional cleaning machines. Nilfisk-Advance is presently represented in all parts of the globe by gradually acquiring numerous small businesses in order to expand their product portfolio and presence in new markets. They are really proud to offer different cleaning solutions to fit each requirement.
